

Computer Network Access at Poly Canyon Village

Primarily, each resident will connect to the network using the wired Ethernet port in their room.
<http://resnet.calpoly.edu/hardwareinfo.html>

Use **Resnet Wireless** in courtyard areas, and interior of Aliso, Knowledge Center, Community Center, and Pool.

Use **Mustang Wireless** in the Plaza.

Housing Admin. Office

As a courtesy to other wireless users please disconnect from wireless network completely when accessing internet from inside apartments.
